[Silicon Valley Sharia - How Social Media Rigs the Free Speech Playing Field](#) [3]

Summary:

By punishing politically incorrect speech and making punitive examples of free thinkers, tech titans are enforcing their own authoritarian version of Silicon Valley sharia — a set of both written and unwritten codes constricting expressions of acceptable thought in the name of “safety” and “civility.”

Laura Loomer was suspended permanently from Twitter over the Thanksgiving holiday for this tweet — and I quote in full:

“Isn’t it ironic how the twitter moment used to celebrate ‘women, LGBTQ, and minorities’ is a picture of Ilhan Omar? Ilhan is pro Sharia(.) Ilhan is pro-FGM(.) Under Sharia, homosexuals are oppressed & killed. Women are abused & forced to wear the hijab. Ilhan is anti Jewish.”
