[A Rising Tide of 'Islamophobia,' or Fake News?](#) [4]

Summary:

While those in the American media have long lamented the (alleged) post-9/11 rise in “Islamophobia,” they have ratcheted up the hysteria since the election of Donald J. Trump to the presidency.

That this template is Fake News is understood readily enough when the histrionics over “Islamophobia” are seen against the backdrop of the global reality of the anti-Christian oppression to which countless numbers of men, women, and children are routinely subjected—mostly by Muslims.

Open Doors, a ministry that serves persecuted Christians around the world, reports that [11 Christians die every single day for their commitment to Christ](#) [5]. And of the ten most dangerous places on Earth to be a Christian, eight are Islamic.
