**Summary:**

Australia has just arrested a number of arsonists who are accused of setting the wildfires that are ravaging the country. Could they have anything to do with the fact that jihadis have identified setting fires as a tool of jihad?

This has been a threat for years.

“‘Unleash Hell’: New Al Qaeda magazine describes in detail how to start huge forest fires across the U.S..with instructions on how to make ‘ember bombs.’” — [Daily Mail](#) [7], May 3, 2012
