Monday, 20 February, 2017

### Summary:

Denmark wants to halt handing out social benefits relating to ‘sickness’ or ‘disabilities’ to Muslim citizens who headed for the Middle East in order to join the ranks of the Islamic State terror group. A bill that, among others, aims to prevent Danes that are funded by the Danish state from fighting overseas, where their actions undermine the interests of Denmark, has therefore been presented in parliament this morning.
