India: Army Chief says Pakistan is “trying to use terrorism as a tool of state policy”

The definition of jihad:

"The struggle to impose Islamic values"

This definition covers everything from imposing on self through imposing on public space via halal, gender segregated meetings, burquas etc to violent armed jihad.

Encyclopedia Britannica:
Jihad, particularly in the religious and ethical realm, primarily refers to the human struggle to promote what is right and to prevent what is wrong [according to Islamic values].
