Summary:

The news of leaflet that appeared in UK calling Muslim boys to seduce Sikh girls is very old and goes back to the year 2005. After this the cases of love jihad surfaced in India but media ridiculed Hindu groups branding them as fascists for opposing inter religious marriages saying such marriages create harmony. If opposition to such marriages is criteria for declaring people as fascists, these enlightened people should know that Islam fits in to category of fascism because Koran bans Muslims girls marrying infidel men. Islamic law states that such infidels are put to death. Of course Muslims men can marry Non Muslim women. This Islamic belief and law ensures certain death to infidel cultures and civilizations in the long run. One can read what is in leaflet from [here](#) [6] or below where I put it up.
