Nigeria: Muslims murder 30 people in jihad bombing on crowded bridge

Jihad means to war against non-Muslims...signifying warfare to establish the religion.

The caliph (o25) makes war upon Jews, Christians, and Zoroastrians (N: provided he has first invited them to enter Islam in faith and practice, and if they will not, then invited them to enter the social order of Islam by paying the non-Muslim poll tax...which is the significance of their paying it, not the money itself...while the war continues until they become Muslim or else pay the non-Muslim poll tax..."Fight those who do not believe in Allah and the Last Day... until they pay the poll tax out of hand and are humbled" (Koran 9.29) http://mappingsharia.com/?page_id=79
