Parents suffocated girl, 17, with plastic bag for 'wearing short-sleeved top'

To illustrate how the legal concepts of the Islamic "Lawgiver" differ significantly from those based on reason, here are some familiar commands from Mosaic Law that have underpinned Western society

Love your Neighbor (or "the Golden Rule"): "Those who follow [Muhammad] are ruthless to the unbelievers but merciful to one another. (Quran 48:29) Islam always distinguishes between Muslims and non-Muslims.

Do not Murder: Sharia exceptions: Murdering an apostate (deserter of Islam) (Para. o4.17) and a parent murdering his/her children or his/her children's children (Para. o1.2(4)) The latter exception applies to honor murders.

Do not commit Adultery: Sharia exceptions: Sex with multiple wives (m6.10), sex with slaves and captives (Quran 33:50), and sex with temporary wives (Quran 4:24).

Do not steal: Sharia exceptions: Forcible seizure, snatching and running, and theft by betraying a trust (embezzlement). (Para. o14.6) Corruption is rampant in Islamic states due to these exceptions.

Do not bear false witness: Sharia exceptions: It is OK to break the intent of the oath, as long as you don't break the letter of the oath. (Para. o19.1) and "When it is possible to achieve such an aim by lying but not by telling the truth, it is permissible to lie if attaining the goal is permissible." Examples including protecting Islam or a Muslim. (Para. r8.2)
