Summary:

Finally, Paul Nuttall has had the courage to stand by his convictions and say that UKIP will ban the full face veil and Sharia law courts in the UK! Now he needs to stick to his guns and I believe he has a policy that the majority of British people support! I spoke to Anne Marie Waters, director of Sharia Watch UK, to find out if she thinks Sharia law will ever be banned in the UK.

The Islamic full face veil is oppressive to women and has no place in a civilised country, just ask women like Maryam Namazie and Ayaan Hirsi Ali! I was joined by Dr Taj Hargey, imam and director of the Muslim Education Centre in Oxford, who told me why making women dress like ninjas! Taj also said that if any parents are complicit in the FGM of their child, they must face prison!
