Summary:

In my conclusion, Prophet Muhammad either truly believed he was speaking to God, or he simply was someone who wanted to renew the religion of Abraham (Ibrahim) and lied to convince people to be good. He hated all forms of idolatry, including Christianity.

Admin: Interesting that despite all he has said the author still seems to believe Muhammad had good intentions "lied to convince people to be good". Brainwashing runs deep! Worth reading nevertheless for the description of the benefits Muhammad obtained from his 'prophecy'.
