Summary:

Theresa May talked tougher than usual yesterday, but nothing will really change, we know this. We know it because Theresa May, or any other major political figure in Britain, will not tackle this in the way that it needs to be tackled. They are far too concerned about "alienating" Muslims or upsetting Saudi theocrats. What we need is a leader who prioritises neither of those, but who stands for the British people, no ifs or buts.

Here is how we do it:

- [Internment](#)
- [Prioritise spending on policing and defence](#)
- [Scrap the Human Rights Act](#)
- [Raid known Jihad mosques](#)
- [Stand up to Saudi Arabia](#)
- [End \(or severely restrict\) immigration from Muslim countries](#)
- [Write a British constitution](#)
- [Acknowledge the root of the problem](#)
