### Summary:

- "There are plenty of private Muslim schools and madrasas in this city. They pretend that they all preach tolerance, love and peace, but that isn't true. Behind their walls, they force-feed us with repetitive verses of the Qur'an, about hate and intolerance." — Ali, an 18-year-old of French origin, whose father was radicalized.
  - "In England, they are free to speak. They speak only of prohibitions, they impose on one their rigid vision of Islam but, on the other hand, they listen to no-one, most of all those who disagree with them." — Yasmina, speaking of extremist Muslims in the UK.
  - "Birmingham is worse than Molenbeek" -- the Brussels borough that *The Guardian* described as "becoming known as Europe's jihadi central." — French commentator, republishing an article by Rachida Samouri.

### **Summary:**

A London MP has called for mandatory medical checks on schoolgirls to end Britain's "shameful" failure to secure prosecutions for female genital mutilation. Diane Abbott said the country needed to face up to the need for "routine medical examinations" as she warned that thousands of girls in the capital remained at risk of mutilation. She said the approach had been successful in France, where 100 convictions for FGM have been secured since the start of the Eighties, and it was time for similar action to be taken in Britain.

[Paul Nuttall is right, ban Sharia law now! \(25 minutes in\)](#) [17]

### **Summary:**

Finally, Paul Nuttall has had the courage to stand by his convictions and say that UKIP will ban the full face veil and Sharia law courts in the UK! Now he needs to stick to his guns and I believe he has a policy that the majority

of British people support! I spoke to Anne Marie Waters, director of Sharia Watch UK, to find out if she thinks Sharia law will ever be banned in the UK.

The Islamic full face veil is oppressive to women and has no place in a civilised country, just ask women like Maryam Namazie and Ayaan Hirsi Ali! I was joined by Dr Taj Hargey, imam and director of the Muslim Education Centre in Oxford, who told me why making women dress like ninjas! Taj also said that if any parents are complicit in the FGM of their child, they must face prison!
