[Public Health England changes vaccination advice to consult 'faith' leaders](#) [2]

Country:

United Kingdom (UK)

News Date:

15/08/2019

Summary:

A public health body has removed a suggestion that people seek advice from "faith leaders" over whether to vaccinate their children after the National Secular Society questioned it. Public Health England (PHE) has altered a public facing [leaflet](#) [3] which said people "may wish to seek advice from your faith leaders or other community leaders" over whether

- [Muslim parents refuse to allow children to receive flu jab after MCB rules Islam bans treatment](#) [4]

Source Item:

[Muslim parents refuse to allow children to receive flu jab after MCB rules Islam bans treatment](#) [5]

Country:

United Kingdom (UK)

News Date:

28/07/2019

Summary:

Muslim parents are refusing to allow their children to take part in a nationwide flu vaccine drive after the Muslim Council of Britain ruled the treatment was forbidden by Islam. Public health officials have raised concern over the number of Muslim children expected to be withdrawn from a major programme beginning in schools next month.
