[Inbreeding Within the UK's Pakistani Community; It's Costing the NHS Billions](#) [2]

Country:

United Kingdom (UK)

News Date:

17/05/2018

Summary:

You may have seen the story [circulating](#) [3] in the news this week about the “British-Pakistani” woman who refused to marry her cousin. Her refusal was due to the fact that she’d already lost members of her family to early deaths and learning difficulties; problems which had been picked up due to inbreeding.
