Summary:

AISHA Ibrahim Duhulow was 13 years old when she was buried up to her neck in the Somali port city of Kismayu on Oct 27 and stoned to death by 50 men belonging to the Islamic group Al Shahab. A truckload of stones was brought to the field where this murder took place. When a few members of the thousand-strong spectators tried to save the girl, Al Shahab gunmen opened fire, accidentally shooting a little boy. It did not take long to kill Aisha. She had been accused of fornication, although according to her bereft father, she had gone to complain of being raped by three men.
